# Special Activities

**Edible Education:** We are getting kids excited about cooking real food. From ingredient selection, food prep and clean up; they will do it all!

**Kinder Art:** The Makers workshop will be exploring artist, art periods, science, cultures and nature, all with creativity and flexibility in mind.

**ACTIVE Kids:** Campers will learn about healthy lifestyle choices while participating in fun, exciting and educational fitness challenges.

**On Site Field Trips:** We are bringing even more excitement with special visits from Live Healthy Gwinnett, Master Chefs, and many industry experts and community partners.
